

AUSSIE ACTION ABROAD

NEPAL NEWSLETTER

JULY 2025

NAMASTE

Welcome to our JULY 2025 Newsletter.

At the end of the financial year, we take a little time to reflect on our involvement in Nepal again and thank those who have assisted us to support, encourage, build and share.

It has been a quietish year, but one that has seen our partners our communities and or recipients gain from our commitment and willingness to deliver some growth and comfort.

And in our 25th year we thank all our participants, leaders, board members, fundraisers and supporters for their continued interest and encouragement

But we are not done yet!

We have much more to do and we encourage you to share, encourage and find ways to keep Aussie Action alive and well long into the future.

Thank you *Graeme*

"My time in the village has been meaningful. I'd like others to experience stepping outside our privilege and giving to a loving group of people."

Rez 2025

The AAA board continues to seek your interest, support, advice and encouragement to enable us to deliver to our Nepali communities.

We ask that you assist with sharing, encouraging and becoming actively involved, so that we might be able to share tasks, build our future options and strengthen our activities.

A heartwarming act of generosity by Nola, a Year 2 student at Bungaree Primary School, has brought smiles and essential support to students at Surya Jyoti Primary School in Nepal's remote Lamjung district. For her eighth birthday, Nola selflessly waived presents, instead encouraging her friends to contribute to a cause close to her heart: "Donations for Nepal!"
