

AUSSIE ACTION ABROAD

NEPAL NEWSLETTER

SEPTEMBER 2025

NAMASTE

In our 25th year we thank all our participants, leaders, board members, fundraisers and supporters for their continued interest and encouragement.

We celebrated our milestone with about 100 people in true Nepali style and were encouraged by the support, messages of thanks and involvement by all.

We certainly were blessed with great comperes, entertainers and enjoyable Nepali food, while raising \$5,500 towards our community based projects.

Keep an eye open for some exciting things to come.

Graeme

Millennium Expedition initiator, Bruce Poon is supported by Expedition photographers Ian Toohill and Jodie Westall as well as a young Balram Rana.

Thank you for your attendance

An enormous **THANK YOU** to **Shesh Ghale**

Un-be-knowns to us, during our Celebration Dinner, Shesh Ghale took the microphone and thanked us for our work in Nepal, in particular our support in times of natural disasters.

He concluded by announcing a donation of \$50,000.

We sincerely thank Shesh for this support and our Board has agreed to use some funds to complete the GAN Training Centre and towards rebuilding old school buildings as a community learning centre.

In the short term, some will be invested, ensuring we gain more from the donation for other projects.

School bags for children through the
