# NEPAL NEWSLETTER

February 2026

## NAMASTE

Welcome to our first newsletter for 2026.

In here we highlight our teams recently returned from another excellent time in Nepal, while we look at what next.

There continues to be lots to do, many requests for support, advice and help and again we seek your continued support to enable us to meet some of these important requests.

A special thanks goes out to our donors as they have continued to enable us to deliver much needed resources, support and development.

Keep an eye open for some exciting things to come.

Our Animal Welfare Team spent time working with local VETS to treat village animals.

Then on their return to Kathmandu, were able to see the progress on a new Animal Sanctuary for SNEHA'S CARE.

Much of the initial work on the site has been supported by a generous donation from the **Unconditional Love Foundation - UCLF**, while they dream of having a sanctuary that will house animals, a treatment clinic, staff offices and other key facilities.

Its been exciting to see their progress.
